THE MIDDLETON

JULY 26, 1976

NINETY-SECOND YEAR — NO. 254

MIDDLETOWN, CONN., MONDAY EVENING

RAFTS AND RAFTS OF FUN — Huck Finn probably would have laughed himself sick but that wouldn't have stopped the determined band of men and women who turned out Saturday for the Second Annual Connecticut River Raft Race. This craft, which got an extra

boost from the pedal pushers in the stern, is the Morning Star II and it won first place. More photos, details in the County News pages today.
