

POST-race action at Nott Island.

it in fourth, astern of *Deep Float*. An all-out effort at the propulsion mechanisms boosted them back to third

before the finish at Nott Island, Olmsted said.

Franklin Burton of Old Saybrook was chief organizer

Cliff Packard photo

of the event. He could not recall whether any funds went to charities following the 1975 race, but said he plans to run the event again and hopefully to give more money away in 1977. No expenses were deducted from the 1976 income he said.
