## Waiting For The Gun

J1 PHOTO BY MITCHELL BOOTH

.. Their anchors holding them against the Connecticut River's current, some of the about 50 rafts entered in the third annual Great Connecticut River Raft Race wait for the starting signal off the Deep River town boat launch. At least two rafts from the

north-central Connecticut area, Howard's Hustlers and MasterBoat, with captains from Tolland and Vernon respectively, entered the race, but neither was among the top finishers. More photos on Pages 4 and 5.
