ESSEX — The Lions Club raised \$2,100 through its sale of beer, hotdogs and hamburgers at the annual Connecticut River Raft Race two weeks ago.

The club decided Wednesday to give \$700 to the Essex Ambulance Association, \$700 to the Essex Ancienteers girls' drill team and \$700 to the Newington Children's Hospital. The money will be disbursed at the club's Aug. 16 meeting.

The Connecticut River Raft Race Committee raised \$2,000 from entry fees, which also was donated to charity.
