

## Pre-Race Grilling Contest!!

There will be a grilling contest held the night before the raft race at the Portland Marina Campground. Racers that are camping overnight are welcome to submit their favorite grilled (homemade) food in the contest. The rules are simple: the food must be cooked on a grill over an open flame. The winner will be chosen based upon who receives the highest number of votes. Voters will consist of all who submitted food into the contest and a random ten other 'tasters' in the campground. The winning grill master will receive a trophy and bragging rights! Contest/Tasting to take place at 7:00pm on the Friday evening before the raft race. Contest coordinators are Captain Gretchen Bartkus and First Mate Shawna Bartkus of the "All Day Suckers" raft.
